Sir,

With reference to correspondence ending with your letter No.L.2678.Ml.178-32-6 dated 30-10-1933 directing that the request in the matter of the payment of Government contribution towards laying underground drainage in the City may be renewed well in time for consideration in connection with the State Budget for 1934-1935, I have the honour to state that the letter was placed before the Council, who at their meeting held on 14-11-1933 resolved that the Government be requested to provide the amount of contribution, having regard to their undertaking already given, to enable the Municipal Council to proceed with the scheme of providing a complete system of drainage in the City.

A copy of the resolution is forwarded herewith for kind reference.

In this connection, I may be permitted to state that a sum of Rs.50,000/- was advanced last year to the State Sanitary Department for underground drainage and the work is almost completed.

I, therefore request that necessary orders may kindly be issued to provide at least half the amount, namely,

namely, Rs.25,000/- in the next year's State Budget as contribution for the City Drainage Works, as the money advanced by the Municipality is now required for other urgent City improvement works and unless the Government provide for their contribution in the next Budget, other urgent works in the Municipality will suffer.
